

WINTER 2024

YOUR LINK TO BETTER HEARING

NORTH GEORGIA AUDIOLOGY & HEARING AID CENTER

MEDICARE AUDIOLOGY ACCESS IMPROVEMENT ACT

Our owners, Dr. Allen and Dr. Means, traveled to Grapevine, Texas for the Academy of Doctors of Audiology (ADA) annual conference along with our Director of Operations, Caleb Means. ADA is dedicated to practitioner excellence, high ethical standards, professional autonomy, and evidence-based clinical and business practices in the provision of quality audiologic care. During this conference, they discussed *The Medicare Audiology Access Improvement Act*. This act will increase access and lower out of pocket hearing care costs for everyone. You can help seniors in GA on their journey to healthy hearing if you reach out to your local congressional and senatorial delegates to support this vital legislation (S.2377, H.R.6445).

HAPPY NEW YEAR 2025!

Want the New Year to sound loud and clear? Call today to have your hearing aids cleaned and inspected! Proper care and regular cleaning of your hearing aids keeps them functioning their best and can prevent the need for costly repairs.

COMMUNITY OUTREACH

Here at North Georgia Audiology, we are passionate about sharing information that can lead to better hearing health for all. Our doctors and staff have participated in several events!

- The Johns Creek office attended the Roswell Senior Expo to share resources for senior services as well as participated in the food drive for North Fulton Community Charities.
- Our Gainesville team attended the HealthSmart Expo where 50+ health and wellness exhibitors were featured and included services such as free health screenings.
- The Woodstock location took part in the Senior Extravaganza, an event created to educate all on local senior services in Cherokee County.

We look forward to adding even more events in 2025!

2024 AWARDS AND ACCOLADES
